Dear Mrs. Powers,

The Class of 2007 wants to thank you for being our class advisor for the past three years. We couldn't have done it without you. You persevered through thick and thin, from Prom to class trips to fundraising and following through collecting class dues, allowing us to be more productive and efficient in planning school events. Thank you, we hope you have enjoyed being our class advisor as much as we've loved having you.

My little sister, my best friend
This is it you made it!
All your hard work has finally paid off
Every obstacle has been conquered
You are ready to face the world with your head held up high
And I will be here to support you, pick you up when you fall, and be by your side every step of the way.
Just remember you're my sister my best friend and nobody can take that away because we are sisters by chance but friends by choice.
I love you, Congratulations!
I'm so proud of you!
Love always, Taryn
